

PRODUCT INFORMATION

Greases

Gulf Crown LCX 3

Product Description:

Gulf Crown LCX 3 is a lithium complex thickened lubricating grease based on mineral oil. **Gulf Crown LCX 3** contains antioxidants, corrosion inhibitors and EP/AW additives. The lithium complex soap makes **Gulf Crown LCX 3** suitable for applications within a very wide temperature range and especially applications at elevated temperatures. The complex soap structure also gives **Gulf Crown LCX 3** a high degree of mechanical stability. This enhances the performance in vibrating housings and prolongs re-lubrications intervals. **Gulf Crown LCX 3** is excellent at high temperatures, has very good mechanical stability and high load carrying capacity.

Application:

Gulf Crown LCX 3 is a modern high performance product setting a new standard for a truly universal grease suitable for both industrial and automotive applications. The product's all round properties make it the primary choice for various types of bearing applications including heavy load conditions and temperature peaks up to 160°C.

Gulf Crown LCX 3	
Consistency, ASTM D217	NLGI 3
Product Code	5025
SPECIFICATIONS:	
ISO 6743-9	L-XCCEB3
DIN 51 502	KP3K-30
PROPERTIES:	
Colour	Yellowish
Dropping Point, °C	>260
Viscosity base oil @ 40°C/100°C, mm ² /s	110/9
Penetration 60 strokes, ISO 2137, mm/10	220-250
Temperature range continuous operation, °C	-30 tot +130
